**Item 1.01. Entry into a Material Definitive Agreement.**

Effective March 28, 2018, AeroVironment, Inc. (“AeroVironment”) executed a Lease Agreement (the “Lease”) with Princeton Avenue Holdings, LLC (the “Landlord”) for certain premises consisting of approximately 94,280 square feet located at 14501 Princeton Avenue, Moorpark, CA 93021, to serve as a new facility for the designing, engineering, testing, and manufacturing of unmanned aircraft systems. The Lease will commence upon the substantial completion of the Landlord’s work detailed in the Lease and terminates on the last day of the calendar month that is sixty-three months later, unless earlier terminated. AeroVironment has an option to extend the Lease term for a single thirty-six month period by providing written notice to the Landlord within the period which is 12-18 months prior to the expiration of the term of the Lease. The base monthly rent during the Lease term will be as follows:

<u>Period</u>	<u>Base Monthly Rent</u>
First 12 Months	\$70,710.00
Months 13-24	\$72,477.75
Months 25-36	\$74,289.69
Months 37-48	\$76,146.94
Months 49-60	\$78,050.61
Months 61-63	\$80,001.87

AeroVironment will also be responsible for its proportionate share of the building’s operating expenses, including property taxes. During the extension term, the base rent for the first year will be equal to 102.5% of the then current base rent being paid under the Lease, and will increase annually thereafter by 2.5%.

If the Landlord has not delivered access to the warehouse portion of the premises by April 30, 2018, and such delay is not attributable to a force majeure or tenant delay, then AeroVironment may give Landlord notice of its intent to terminate the Lease; provided, however, that if the Landlord delivers access to the warehouse portion of the premises within 30 days after such notice, then AeroVironment’s termination notice shall be deemed null and void and the Lease shall not be terminated. In addition, AeroVironment has the option to terminate the Lease, effective upon the last day of the thirty-ninth full calendar month of the term, by providing the Landlord with six months’ advance written notice prior to such early termination date.

The foregoing description of the Lease does not purport to be complete and is qualified in its entirety by reference to the complete text of such document, which will be filed as an exhibit to AeroVironment’s Annual Report on Form 10-K for the year ended April 30, 2018.
