

## **AeroVironment, Inc. to Webcast 2011 Investor and Analyst Event**

MONROVIA, Calif.--(BUSINESS WIRE)-- [AeroVironment, Inc.](#) (Nasdaq:AVAV) today announced it will host its invitation-only 2011 Investor and Analyst Event on Wednesday, July 13, 2011, from 1:00 p.m. to 4:00 p.m. ET in New York City. Executive presentations will provide an overview of the company's vision, strategy and key business initiatives.

The event will be available to the public via a live audio webcast at <http://investor.avinc.com> along with a copy of the presentation. To listen to the live event, please go to the website at least 15 minutes early to register, download and install any necessary audio software. An audio replay of the event will be available within 24 hours after the event and will be archived on the Investor Relations page of the Company's website until July 20, 2011.

### **About AeroVironment, Inc.**

AeroVironment is a technology solutions provider that designs, develops, produces and supports an advanced portfolio of [Unmanned Aircraft Systems](#) (UAS) and electric transportation solutions. Agencies of the U.S. Department of Defense and allied military services use the company's battery-powered, [hand-launched unmanned aircraft systems](#) extensively to provide situational awareness to tactical operating units through real-time, airborne reconnaissance, surveillance and communication. AV's electric transportation solutions include a comprehensive suite of [electric vehicle \(EV\) charging systems and installation services](#) for consumers, automakers, utilities and government agencies, [power cycling and test systems](#) for EV developers and [industrial electric vehicle charging systems](#) for commercial fleets. More information about AV is available at [www.avinc.com](http://www.avinc.com).
