PRESS RELEASE

## **AeroVironment Announces Establishment of 10b5-1 Trading Plan by Chief Executive Officer**

**SIMI VALLEY, Calif., Dec. 31, 2015** – [AeroVironment, Inc.](http://www.aerovironment.com) (NASDAQ:AVAV) today announced that its chief executive officer and chairman of the board, Timothy E. Conver, as trustee of The Conver Family Trust, has established a pre-arranged stock trading plan to sell a portion of company stock held by the Trust over a specific period of time. The stock trading plan is part of a long-term strategy for asset diversification and liquidity and was adopted in accordance with guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934 and AeroVironment's policies with respect to employee stock transactions.

Rule 10b5-1 allows corporate officers and directors to adopt written, pre-arranged stock trading plans when they do not have material, non-public information. Using these plans, insiders can diversify their investment portfolios, can spread stock trades out over an extended period of time to reduce market impact and can avoid concerns about whether they had material, non-public information when they sold their stock.

Under the Rule 10b5-1 Plan, the Trust may sell up to 320,000 shares over a period of approximately nine months. If the Trust completes all the planned sales under the Rule 10b5-1 Plan, Mr. Conver would beneficially own approximately 2,139,920 shares of AeroVironment common stock (including all options currently exercisable by Mr. Conver), or approximately 9.1 percent of the company's current outstanding shares. The transactions under this plan will commence no earlier than March 2016 and will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission. The Form 4 filings will also be posted on AeroVironment's website.
